Statement of intent

Tees Valley Education deplores terrorism of every kind and of any radical ideology. We will do anything we can to protect our pupils from the threat of terrorism and will not tolerate extremism or radicalisation in our academies.

Our zero-tolerance approach to extremism and terrorism includes interventions, exclusions and involving third parties such as the police.

We support and adhere to the latest guidance from the DfE which requires academies to actively promote fundamental British values and to ensure that pupils are encouraged to regard people of all faiths, races and cultures with respect and tolerance.

This policy relates to the potential radicalisation of pupils in our academies.

- 5.1. Channel, a key element of the Home Office's Prevent strategy, is a multi-agency approach to protect people at risk from radicalisation.
- 5.2. Academies work with the LA, local law enforcement, and religious and community leaders, to identify children vulnerable to radicalisation and to stamp out extremism if it arises. This includes identifying pupils:
 - Displaying feelings of grievance and injustice.
 - Feeling under threat.
 - Searching for identity, meaning and belonging.
 - Who have a desire for status amongst their peers.
 - Who have a desire for excitement and adventure.
 - Displaying a need to dominate and control others.

 - Displaying a radical desire for political or moral change.
 - Who are susceptible to opportunistic involvement.
 - Who have family or friends involved in extremism.
 - Susceptible to being influenced or controlled by a group.

6. Preventing radicalisation

- 6.1. The academy will assess the risk of pupils being drawn into terrorism through identifying the factors that affect children in the local area and knowing how to identify those at risk.
- 6.2. The academy always takes allegations and concerns of radicalisation and/or terrorism seriously.
- 6.3. The academy will help pupils channel their desire for excitement and adventure into suitable and healthy activities.
- 6.4. Extremist propaganda is widely available online – the academy will ensure that British values are promoted regularly to encourage pupils to develop an appreciation of society.
- 6.5. The academy will work with local religious and cultural organisations to instil a strong sense of identity in our pupils, as well as a clear place and purpose within the academy.
- 6.6. The academy recognises that pupils' parents and families are best-placed to spot signs of radicalisation and, as such, will promote effective engagement with parents and families.
- 6.7. The academy will record all internet activity that takes place on site, and on any academy computers, laptops and tablets off site, and establish appropriate filters to protect children from terrorist and extremist material online, in accordance with the E-safety Policy.
- 6.8. In accordance with Keeping Children Safe in Education and our Child Protection and Safeguarding Policy, pupils will be taught about the importance of staying safe online through PSHE lessons.
- 6.9. The academy is stronger thanks to our open, multi-faith and multi-racial community. We will always aim to integrate and engage every child within the academy community, and in the wider community.
- 6.10. The academy will celebrate a range of different religious and cultural festivals across the year giving every child the opportunity to take part.
- 6.11. The academy will monitor and assess incidents which suggest pupils are engaging, or are at risk of engaging, in extremist activity and/or radicalisation.
- 6.12. Where a pupil has been identified as at risk of radicalisation, the academy will take action proportionate to the incident or risk.

7. Making a judgement

- 7.1. Although extremist behaviour can be presented in many forms, the academy understands the following as the most obvious risk factors:
- Disclosure about extremist or radicalised behaviour by pupils – this could include exposure to materials outside of academy
 - Use of specific terms associated with certain ideological views, e.g. ‘hate’ language
 - Intelligence reports from local and national agencies regarding the radicalisation of groups of people in the local area
 - Focus on specific narratives that highlight particular extremist views
 - Evidence of accessing online materials that include extremist materials
 - Refusal to accept views expressed by others which are counter to the academy’s **Equality Policy** and associated policy.
 - Documented concerns raised by parents or family members about the changing behaviour of the pupil
 - References to an extremist narrative in pupils’ work
 - Disassociation from existing friendship groups
 - A loss of interest in activities which they previously engaged in
 - Asking questions about identity, faith and belonging
 - Behavioural characteristics, such as low self-esteem, isolation, and perceptions of failure and injustice
 - Family tensions
 - Migration
 - Events affecting their country or region of origin
 - Alienation from UK values
 - Grievance triggered by personal experience of racism or discrimination
 - Inappropriate forms of dress
 - Property damage
 - Refusal to cooperate with the requests of teachers or other adults
- 7.2. When assessing whether a pupil is at risk of radicalisation, staff will ask themselves the following questions:
- Does the pupil have access to extremist influences through the internet?
 - Does the pupil possess or actively seek extremist material?
 - Does the pupil sympathise or support extremist groups or behaviour in their speech or written work?
 - Does the pupil’s demeanour suggest a new social, religious or political influence? E.g. through jewellery or clothing
 - Has the pupil previously been a victim of a race hate or religious crime?
 - Has the pupil experienced any major disagreements with their peers, family or faith groups, leading to rejection, isolation or exclusion?
 - Does the pupil display an irregular and distorted view of religion or politics?
 - Does the pupil display a strong objection towards specific cultures, faiths or race?
 - Is the pupil a foreign national awaiting a decision regarding deportation or immigration?
 - Is there an irregular pattern of travel within the pupil’s family?
 - Has the pupil witnessed or suffered from trauma or violence in a war zone or through sectarian conflict?
 - Is there evidence of a relative or family friend displaying extremist views?
 - Has the pupil travelled for extended periods of time to international locations?

- Does the pupil have experience of poverty, disadvantage, discrimination or social exclusion?
 - Does the pupil display a lack of affinity or understanding for others?
 - Is the pupil a victim of social isolation?
 - Does the pupil have insecure, conflicted or absent family relationships?
- 7.3. Critical indicators include where a pupil is:
- In contact with extremist recruiters.
 - Articulating support for extremist causes or leaders.
 - Accessing extremist websites.
 - Possessing extremist literature.
 - Using extremist narratives and a global ideology to explain personal disadvantage.
 - Justifying the use of violence to solve societal issues.
 - Joining extremist organisations.
 - Making significant changes to their appearance and/or behaviour.
- 7.4. The DSL, and any deputies, will undergo annual, designated Prevent awareness training in order to provide advice and support to staff on protecting pupils from the risk of radicalisation.
- 7.5. Staff will undergo annual Prevent awareness training. Staff should complete annual online training in order to ensure most up to date training is in place. In order to ensure that they are up-to-date to recognise indicators of radicalisation, DSL staff should ensure regular training opportunities throughout the year.
- 7.6. Staff, including the DSL and any deputies, will also undergo regular training in response to any updates.

8. Community links

- 8.1. The academy will engage in community round-table discussions with local community and religious leaders, and local law enforcement, where appropriate.
- 8.2. The academy will include discussion about the Prevent agenda in Local Academy Committee meetings and will report on the agenda to the trust board on a termly basis through the Audit, Risk and Finance committee.
- 8.3. The academy will operate an open-door policy for community members to report concerns.
- 8.4. The academy will open our doors to the community for festivals, religious and other events.
- 8.5. The academy will select a range of charities to support across the year which represent our academy community, including local community groups.

9. Making a referral

- 9.1. In accordance with the academy's Child Protection and Safeguarding Policy, if any member of staff has concerns about a pupil, they will raise this with the DSL.
- 9.2. Parents will be contacted to discuss the issue and investigate where there are any mitigating home circumstances, unless doing so would put the pupil at further risk of harm. A decision will be made at this meeting to determine whether a Prevent referral should be made.
- 9.3. In most cases, the DSL will undertake a Prevent referral where there is a radicalisation concern, as appropriate.
- 9.4. Staff members may make a Prevent referral if they deem it necessary – the DSL will be notified in all cases and will support staff members who do so.
- 9.5. Staff members will be informed that they may be asked to attend a Channel panel to discuss the pupil who has been referred to determine whether support is required.
- 9.6. The LA's Channel panel will decide which support, if any, is required and arrange for this support to be implemented.

- 9.7. The DSL will follow up any referrals and the pupil will be monitored for a period of time to determine whether there have been any changes in behaviour. Parents will be consulted during this period, unless doing so would put the pupil at further risk of harm.
- 9.8. If any concerns are raised, the DSL will contact the Channel programme to discuss further steps.
- 9.9. The DSL will record and retain all incidents for academy records in accordance with the Data Protection Act 2018 and the GDPR, as outlined in the Data Protection Policy.

10. Promoting fundamental British values

- 10.1. Through the national curriculum, the academy will:
 - Teach pupils a broad and balanced curriculum, representing the curriculum intent of the trust and the expectations of the DfE and national curriculum guidance.
 - Represent the cultures of all of our pupils across the subject.
 - Teach a wide range of English and non-English literature.
 - Commemorate World War 1 and 2.
 - Demonstrate the historical importance of the Commonwealth.
- 10.2. Through our social, moral, spiritual and cultural programme, the academy will:
 - Enable pupils to develop their self-knowledge, self-esteem and self-confidence.
 - Enable pupils to distinguish right from wrong and to respect the civil and criminal law of England.
 - Encourage pupils to accept responsibility for their behaviour, show initiative, and to understand how they can contribute positively to the lives of those living and working in the locality of the academy and to society more widely.
 - Enable pupils to acquire a broad general knowledge of, and respect for, public institutions and services in England.
 - Further tolerance and harmony between different cultural traditions by enabling pupils to acquire an appreciation of, and respect for, their own and other cultures.
 - Encourage respect for other people.
 - Encourage respect for democracy and support for participation in the democratic processes, including respect for the basis on which the law is made and applied in England.
- 10.3. The academy will do this by:
 - Including material on the strengths, advantages and disadvantages of democracy, and how democracy and the law work in Britain as part of our curriculum.
 - Ensuring that all pupils within the academy have a voice that is listened to, thus demonstrating how democracy works via academy council / Junior Leadership Team whose members are voted for by the pupils.
 - Using opportunities such as the election process to hold mock elections to offer pupils the chance to engage in politics from an early age.
 - Offering opportunity to debate in order to develop pupils' ability to argue and defend points of view.
 - Using teaching resources from a wide variety of sources to help pupils understand a range of faiths.
 - Considering the role of extra-curricular activities, including any activity run directly by pupils, in promoting fundamental British values.
